

Padova

Straightforward superstar

This stylish boot is made of strong rindbox leather and full-contact leather on the inside. These boots have a high shaft with a 'dressage bow' on the outside of the knee, where the leather runs higher and ends in a curve. The Petrie Padova boot has a zipper at the front and elastic insert along the shaft. The outside of the boot is reinforced for extra comfort. Available in standard sizes and in black or brown leather.
