

Explorer

Outdoor allrounder

The Explorer is a smart choice for every equestrian who values comfort. This sturdy and comfortable tall boot is your best friend in the stable and on horseback. It offers ultimate comfort during long walks on the terrain, while exploring an eventing trail or in a muddy yard. The model is available in four colours nubuck leather, both with or without sheepskin lining for extra warm feet during the winter months. The Explorer is also available with an optional concealed elastic insert.

Characteristics:

- Available in standard sizes
- Slim fit
- Zipper at the back
- Optional concealed elastic insert
- Optional sheepskin lining (winter)
- Top-cuff with patent leather detail
- Durable nubuck leather
- Strong outdoor sole for extra grip
- Available in black, brown, navy, grey or olive
