

# Freerider

---

## Sturdy stable companion

The Freerider is a smart choice for every equestrian who values comfort. This sturdy and comfortable tall boot is your best friend in the stable and on horseback. It offers ultimate comfort during long walks on the terrain, while exploring an eventing trail or in a muddy yard. The model is available in four colours nubuck leather, both with or without sheepskin lining for extra warm feet during the winter months. It has a zipper at the back with concealed elastic insert and velcro clasp.
